

# VBN FAQs

## **Q: What is Parent Projects?**

A: Parent Projects is an online community and digital marketplace dedicated to providing relevant and verified information, tools, and resources that guide and support families, friends, and professional advocates of the aged through the downsizing process

## **Q: What is the Verified Business Network (VBN)?**

A: Is a curated collection of companies that have a verifiable dedication to being Age-Friendly. Because your clients require a trusted network of providers at the tip of their fingers to help them help themselves.

## **Q: How do you “Verify” a Business?**

A: Businesses who apply for Age-Friendly Verification are examined annually.

- Business License and Permits
- Proof of Insurance & Bonding
- Age-Friendly Business Process

## **Q: What is the difference between a Verified Provider membership and Verified Affiliate membership?**

A: Both memberships have gone through the verified process and have been approved. The difference is with the affiliate membership you are participating in our Parent Projects Connect AI planner web-tool that connects you with the client at the right time they need you.

## **Q: Does Parent Projects Connect have a mobile app?**

A: We are currently developing an iOS/Andriod app for release in Winter 2023.
